

American Naturopathic Medical Association

We are asked where to eat in Las Vegas, especially for **plant based, vegan and vegetarian!** There are several options within the Westgate Resort and thousands of choices around the Las Vegas Strip area. Below is a list of a just few Natural Grocery Stores, Natural Cafés and Restaurants in the area. Many offer a delivery service! Some you will need a car or uber/taxi to get to and some are right along the Las Vegas Monorail. The Monorail station directly in front of the Westgate will take you up and down to the strip with many choices! We are not affiliated with any these restaurants, and these are merely suggestions. YELP App is helpful in Las Vegas.
